

Work Life Wonderful.

Open House

4:00 pm to 7:00 pm

Whether we're setting a World Record for high fives, building a home with *Habitat for Humanity*, pulling a plane for *United Way*, or walking with the *Bear Clan Patrol*, life at Johnston Group is about putting people first so we live in a thriving community.

What's it like to work here? We work hard, because that's what allows us to provide the biggest impact, for our customers, for our community, and for each other. The JG environment is built around making our whole lives better. That's why, when a customer calls, we can go above and beyond to improve their lives with employee benefits solutions that protect them from unnecessary stress or discomfort.

So, if this sounds like your kind of place, then check out our website, grab your resume, and come visit us at our open house. We can show you around and talk about the opportunities we have.
